This young lady is beyond her years. Her positive disposition and outlook towards peers and teachers are impeccable. She has a personality that will knock your socks off. She is always positive, ready to take on any task, and up for any challenge with determination and grace. She is a very humble young lady. She is a phenomenal leader that Gavit Gladiators should look up to.

Ulises Martinez

This student is one who has never had a NTI in the gradebook. His work ethic is consistent and he never allows himself to slack off. He sets a great example for his peers, and is a reminder to his teachers that THIS is why we became educators. This young man is an inspiration to all.

Gabby Mosqueda

This student is someone who is quiet and quite the observer. When things get out of hand, she never falls off track. She is focused and determined to be her own leader. This student is someone who will make Gavit very proud come her Senior year. She is someone who everyone will take notice of!

Randhal Moran

He's bright, he's funny, he cares about others, and he's the Constellations choice for the male Great Gladiator award. One thing the teachers can count on every single day is this student's cheerful greetings before entering our classes. "How is your day, Mrs. Anderson?" "Have a great day today, Mr. Sexson!" He is a great person to pick for group projects because he likes to get things right. He takes his time on his work and cooperates with others around him. This student has been involved in swimming, boxing, and just received the honor of being inducted into National Junior Honor Society. Our school is a better place with this student around, and we thank you for it. Congratulations, Randhal Moran.

Ellie Bevan

The Constellations choice for Great Gladiator is a girl who not only exhibits the ways of a gladiator within the halls of Gavit but also in her community. She is an active member of athletic teams such as track and volleyball as well as academic teams such as academic super bowl. Outside of Gavit she actively participates in activities with her church and donates her time and efforts to organizations such as Goodwill and Hospice. If you don't catch her here in the halls at Gavit you may bump into her while she's taking in her favorite Broadway show, Hamilton or hanging with her best friend Matthew. The Constellations Community teachers would like to congratulate Ellie Bevan on being selected as our Great Gladiator!

Angel Centeno

This student is a calm presence in the classroom. Any time there is something stressful going on, you can count on this student to be calm and collected about it. This student doesn't speak much, but when occasion presents itself, we all learn something new. This student is responsible, consistently completing his work in a high quality fashion and in a timely manner. Respected by his classmates, he is truly one of our Great Gladiators.

This young man shows up to school every day on time and in good spirits, whether he is on the soccer field, on his PC, or in the classroom. He is kind and caring, and you can count on him to help anytime. He is enthusiastic about learning. He is always willing to learn and set high goals for himself. He comes to class every day with a positive attitude, and is always willing to participate. This student exemplifies what it means to be a Great Gladiator, and his upbeat attitude will shine as he continues his education into high school. The World Community is proud to award Miguel Orozco with the Great Gladiator Award.

Omotola Amodu

The World Community presents its Great Gladiator to a young lady who is the epitome of what a great student should be. Soft-spoken and polite, even when upset this student maintains decorum. If a mistake is made, they will let you know without making you feel embarrassed. Similarly, she has a great sense of humor and laughs often, but never ridicules others. This young woman's active approach to her education helps her succeed in her multiple high school classes. She asks questions constantly, sometimes to get help, but usually just because she's curious.
